Canada's Aviation Book of the Year

Aviation in Canada: Fighter Pilots and Observers 1915-1939

by Larry Milberry & Hugh A. Halliday

This authoritative new book covers the first great air war in the 100th Anniversary of the end of the WWI.

The incredible men and aircraft, and Canada's special contributions are honoured as never before.

The little known postwar scene also is covered. Deep in the Depression, this was a difficult time for the fledgling RCAF. Then, with war suddenly looming again, the RCAF has to modernize overnight. You'll be fascinated by all that transpired.

This gorgeous book is a visual bonanza. Never have so many photos from these years been so beautifully presented in any Canadian book.
